

Welcome to Bili!

Your gateway to a bilingual world, personalized for **Sarah L.**

[Bili](#) is a bilingual app designed for children 3-8 who are learning multiple languages or want to strengthen their Spanish and English in a fun and educational way. Bili offers stories, games, songs, and cultural content that celebrate the richness of Latin@ communities while supporting your child's language development and cultural identity.

You're invited to join our **one (1) month pilot program** and be among the first to experience Bili. Your family will get **free, early access**, and by sharing feedback, help shape the app before its official release. Families who complete the pilot will also receive a \$50 gift card!

Get Started with Bili:

1. Go to app.thebiliapp.com to open Bili on your browser.
2. Select "Let's get started."
3. Click "Enter your Class Code."
4. Enter your Class Code:

When prompted, enter your student's Class Code.

X6Y9

5. Choose your language settings.
6. Create your parent account.

Enter your full name, email, and create a password.

Make sure you use this email address:

example@email.com

Review and agree to the Terms & Conditions and Privacy Policy.

7. You're all set!

Now your child is ready to learn and explore with Bili at home.
